Dr. Jeffrey Nasse
Chancellor
Pima County Community College District
4905C E. Broadway Blvd.
Tucson, AZ 85709-1005

Dear Chancellor Nasse:

This letter serves as formal notification and official record of action taken concerning Pima County Community College District (the institution) by the Institutional Actions Council (IAC) of the Higher Learning Commission (HLC) at its meeting on April 1, 2025. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Pima County Community College District with the next Reaffirmation of Accreditation in 2034-35. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. An Interim Report due 1/29/2027 on additional location management processes and the development of dual enrollment processes.

Interim Report. An Interim Report due 1/29/2027 on 3.A (academic offerings appropriate to higher education) and 4.B (assessment of student learning) around assessment processes and communications and training of said processes. This detachment is particularly evidenced in the area of multilocation oversight.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for the institution to review and manage information regarding its accreditation relationship. Chief Executive Officers and Accreditation Liaison Officers may download the ISR Report in Canopy at <https://canopy.hlcommission.org>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions>.

Please note: Revisions to HLC's Criteria for Accreditation and Assumed Practices will go into effect on September 1, 2025. Institutions will be evaluated against these revised HLC requirements for all reviews conducted after that date, including reviews related to previously assigned monitoring. Institutional reports submitted on or after September 1, 2025, or institutional reports or Assurance Arguments for visits that will take place on or after September 1, 2025, should be written to the revised version of the Criteria or Assumed Practices as applicable. More information, including a crosswalk between the current and revised versions of the Criteria, is available on HLC's website at <https://www.hlcommission.org/criteria>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison, Linnea Stenson. Your cooperation in this matter is appreciated.

Sincerely,
