The Pima Community College (“College”) Governing Board (“Board”) delegates to the Chancellor or designee the authority and responsibility to assess College facilities, guided by the master planning process, instructional and support needs, and the College’s financial capabilities or other circumstances as deemed appropriate by the Board. The Chancellor or designee shall develop, or cause to be developed, all necessary planning and construction documents that comply with applicable Federal, state, and local laws; codes; and regulations and current construction industry standards. Development recommendations shall be presented to the Governing Board for its approval.
