2-12-2026	<p>I'm not entirely sure about this, but my understanding is that a D grade is not considered a passing grade at PCC. I'm wondering which AP specifically addresses what constitutes a passing grade.</p> <p>If there isn't currently an AP that clarifies this, should it be included in AP 3.40.01 for clarity?</p>	<p>AP 3.25.02 Section 1 describes how D grades can't be used to satisfy program requirements.</p>
