DEFINITIONS

The report includes all students who were enrolled on the last day of class, as well as students who withdrew after the add/drop date and received a "W" grade.

Headcount is unduplicated, meaning a student is counted only once within each breakdown category.

Enrollment or seatcount, is a student count for which a student is counted as many times as he/she is enrolled in any section within each breakdown category. Thus, this is a duplicated headcount.

Annualized unofficial FTSE is the total number of student term credit hours divided by 30.

A Full Time student is one who is enrolled in 12 or more credits within a specific term.
