

Pima Community College Students Who Enrolled at Top 50 Ranked and Top 200 Ranked Universities

This report shows the count of former Pima Community College (PCC) students enrolled between fall 2018 and summer 2023 who attended any of the top 50 universities or top 200 universities in 2019-2023 academic years. The universities are identified using the 2024 U.S. News Best National University Rankings. Students who enrolled in undergraduate, graduate, and professional (law and medical) schools are included.

A top-rated university appears in the list only if at least one PCC student enrolled at that university in the above-mentioned timeframe. Several universities were tied in the rankings. If four universities are ranked, for example, 42, the next attributed rank will not be 43 but 46. If the number of enrolled students at a given institution is less than six, it is shown as “<6”, and the exact number is not provided.
