

Accounting Associate of Applied Science Tax Focus Area

Full-time, Fall Start

www.pima.edu/accounting-aas

Prepare for a career in accounting with a focus on tax preparation and tax enforcement issues, including learning the principles of accounting for corporate and partnership tax accounting and individual tax accounting.

Title IV Financial Aid eligible: Yes

What can I do with this degree?

Career options: Seek a tax preparation or enforcement position with a small business, public accounting firm, government, or a corporation in almost any industry. By adding the Enrolled Agent certification, you increase your value to potential employers.

Academic options: This program may apply toward a Bachelor of Applied Science (BAS). See an advisor.

CHOOSE YOUR COURSES WITH YOUR COLLEGE ADVISOR

Placement

Students must meet prerequisite standards before taking BUS 151 and WRT 154 required in the pathway below. If you are not prepared for these courses based on placement results you will need to take courses to build your skills prior to taking them. The sequence of courses follows.

Math: ICS 081 > BUS 151

Writing: ACL 080 > WRT 090 > WRT 154

If a MAT course higher than MAT 106 or WRT 101 are chosen, additional coursework may be needed.

Semester Pathway

This pathway is a suggested sequence of courses for your program of study. Work with an advisor to develop a unique pathway for you based on your placement recommendations, any prior college courses and your specific situation.

General Education Note: When General Education (Gen. Ed.) credits are listed below, select from the appropriate General Education course list linked from the program website. Some programs recommend specific courses.

For this pathway, ensure that one Gen. Ed. course fulfills the C or G requirement.

Note: Due to the nature of the accounting and taxation industry, we recommend that students begin this program Spring semester so they graduate at the end of Fall semester. The industry does the majority of its hiring in the spring.

Semester 1 - Fall (Semester Total: 16 credits)
