HALLO! Ready for an unforgettable summer adventure? Take a Pima Political Science course while exploring Germany, including Berlin, its capital and urban center. Pima has teamed up with WorldStrides to bring you a wonderful experience. Immerse yourself in the vibrant clash of the traditional and the modern that makes Berlin a unique study abroad destination. We will also visit the Hanseatic League cities of Bremen and Hamburg, and the island of Helgoland.

Whether you enroll in POS 204 or POS 196, part of the course will be completed in Tucson and part in Germany. You can enroll in both courses.

Both faculty trip leaders have extensive experience in Germany, one working as a diplomat, the other growing up there.
