Take a Pima history course during the summer while exploring Ireland!

Ireland's rich history can be seen all over its landscape and seascape, from the dramatic Wild Atlantic Way, to the sacred tombs of the ancients, the forts of the tribal chieftains, and the castles of the colonizers. This course in Ireland explores how environment, culture and history have shaped indigenous and post-colonial Irish culture. This trip is an opportunity to earn Pima credits and see Irish history in-person, and learn about the people and places that shaped its past.

This in-person class runs May 29-June 20. The first few days will be held at Pima's West Campus, then we will head to Ireland to finish the class with the Institute for Study Abroad Ireland (ISAI). Students' Final Presentations and Final Papers are due a week after we return.

While in Ireland, your home base is the noted seaside resort town of Bundoran, located in the northern part of the Republic of Ireland.

Experience a new culture

Immerse yourself in Irish culture — the food, the people, the music and the landscapes. We'll visit cities and rural towns, eat at Irish restaurants, and meet people from across the island.
