4. Performs initial setup of users in all systems; EBI (Enterprise Building Integrator), FAMIS, DL Windows, and TrakaWEB.
5. Processes door, lock, key change request and determining access devices needed. Assigns keypad codes to users. Works with the Electric Shop to assign alarm codes to users.
6. Processes lost, stolen, broken, replacement access device requests conducting appropriate research as needed.
7. Documents accurately all access control transactions in various systems.
8. Reviews backlog of work orders pertaining to documents and/or access devices needed on a weekly basis.
9. Maintains data integrity by ensuring inactive employees with issued access devices are removed from systems.
10. Conducts regularly audit and/or inventory access control devices. Supports Key Control Specialist in conducting quarterly key inventory audit.
11. Cross-references a variety of reports, databases, and paperwork to identify and resolve discrepancies. Maintains assigned various databases.
12. Updates space information with the coordination of Facilities Planning Department and Data Specialist

13. Prepares, drafts, and proofs reports and spreadsheets. Researches and prepares analyses of various topics as requested. Maintains confidential records, files, and databases in accordance with established procedures.
14. Drafts procedure and training documents for areas of responsibility
15. Assists in overseeing student aides and temporary employees within the unit.
16. Provides backup support to Front Desk and Key Control Specialists. Acts as a backup or support to immediate colleagues as needed.
17. Performs all other duties and responsibilities as assigned or directed by the supervisor.

Knowledge, Skills, and Abilities:

1. Knowledge of regulatory compliance principles and practices
2. Knowledge of administrative procedures and practices
3. Knowledge of internal and external customer service principles and practices
4. Knowledge and application of organizational and time management principles
5. Skill in analyzing data and drawing conclusions
6. Skill in effective communication (both written and oral)
7. Skill in positive, productive, and flexible customer service
8. Skill in problem solving
9. Ability to apply analytical and critical thinking skills as well as draw conclusions and prepare accurate reports of results
10. Ability to apply effective and accurate data entry and typing skills
11. Ability to develop and maintain effective and positive working relationships

Supervision:

- Not responsible for supervising the work of others.
