

Job Description

Position Title: Vice Chancellor of Strategy, Analytics,
and Research

Job Group: Executive Administration

Job Level Group: Deputy Administrator

FLSA Status: Exempt

Position Summary:

The Vice Chancellor for Strategy, Analytics and Research has oversight over the College's planning and research functions. This position is responsible for aligning programs to the Chancellor's goals and objectives. This will include strategic management and planning, developing and establishing policies, ensuring appropriate budgeting and planning practices are followed, and monitoring overall performance.

The Vice Chancellor for Strategy, Analytics and Research improves the operational effectiveness of the College guided by data-informed and evidence-based decisions; leads a wide range of strategic initiatives that have a College-wide impact; and maintains coordination for all projects, innovations, and initiatives to ensure that all are effectively implemented in accordance with planned objectives and budgets, established milestones, and established performance metrics.

Essential Duties and Responsibilities:

Examples of key duties are interpreted as being descriptive and not restrictive in nature. Incumbents routinely perform approximately 80% of the duties below.

1. Plan and implement program goals, objectives, policies, procedures and oversee strategy, analytics, and research for the College
2. Develop and implement short and long-range strategic plans to advance the department and sub-departments.
3. Manages and directs the activities of the department and sub-departments.
4. Oversees budgeting, accounting and financial reporting activities for assigned department.
5. Ensures compliance with College policies and state and federal laws.
6. Maintains effective partnerships with staff and administrators to reach departmental goals.
7. Supports the selection, training, and motivating of staff. Supervise employees, including prioritizing and assigning work
8. Identifies and assesses current and future organizational development needs through process analysis and collaboration with senior management to meet College objectives
9. Oversees employee hiring, corrective action, disciplinary and termination recommendations as necessary

10. Directs and supervises the collection and review of data and the preparation of a variety of reports, statements, and communications
11. Participates in special studies and recommending improvements to department practices, policies and processes.
12. Develops appropriate metrics and tracking mechanisms to measure overall department effectiveness and individual programs
13. Represents the College to the community and outside organizations
14. Advises and responds to questions from departments and external agencies.
15. Collaborates with other departments as necessary in order to meet college objectives and goals.
16. Performs all other duties and responsibilities as assigned or directed by supervisor.

Knowledge, Skills, and Abilities:

1. Knowledge of regulatory compliance principles and practices.
2. Skill in people leadership and supervision.
3. Skill in effective communication (both written and oral).
4. Skill in independent decision making.
5. Skill in positive productive, and flexible customer service.
6. Skill in budget/resource management.
7. Ability to develop and maintain effective and positive working relationships.
8. Ability to apply analytical and critical thinking skills as well as draw conclusions and prepare accurate reports of results.

Supervision:

- Executive Level Leadership. Supervises work of other managers, including planning and reviewing work.

Independence of Action:

- Results are defined; employee sets own goals and determines how to accomplish results with few or no guidelines to follow, although precedents may exist; supervisor/manager provides broad guidance and overall direction.

Competencies:

Competencies are the actions and behaviors that can be observed as to how work gets done that supports the College's values and strategic objectives.

- **Organizational Culture:** Provides an opportunity to impact the organizational culture of Pima Community College by both acknowledging the College's past and helping to chart its future.
- **Governance, Institutional Policy, and Legislation:** Allows impact on the guidelines that determine how the College operates..
- **Institutional Leadership:** Provides the opportunity to provide leadership across the institution. Leading by example and supporting team building.
- **Information and Analytics:** Allows ability to be a data leader. Provides a holistic representation of College's performance as well as data trends or issues.

Minimum Qualifications:

Candidates/incumbents must meet the minimum qualifications as detailed below.

- Master's degree in related field required
 - Ten (10) years of related experience required
 - Six plus (6+) years of related experience with supervisory experience preferred.
- OR An equivalent combination of certification, education and experience sufficient to successfully perform the essential duties of the job such as those listed above

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the key duties and responsibilities of this job. **Reasonable accommodations may be made to enable individuals with disabilities to perform critical tasks.**

- **Environment:** Work is performed primarily in a standard office environment with staff contact and frequent interruptions.
- **Physical:** Primary functions require sufficient physical ability and mobility to work in a standard office setting; to stand or sit for prolonged periods of time; to occasionally stoop, bend, kneel, crouch, reach, and twist; to lift, carry, push, and/or pull light to moderate (up to 20 pounds) amounts of weight; to operate office equipment requiring repetitive hand movement and fine coordination including use of a computer keyboard; to travel to other locations using various modes of private and commercial transportation; and to verbally communicate to exchange information.
- **Vision:** Ability to see in the normal visual range with or without correction.
- **Hearing:** Ability to hear in the normal audio range with or without correction.

Special Conditions of Employment:

- Works some evenings and weekends
- Pre-employment Background Check Required
