The Western Undergraduate Exchange (WUE) program allows students in participating states to enroll in designated two- or four-year public institutions and programs in other states at a special reduced tuition level. WUE students pay the regular in-state tuition plus 50 percent of that amount. Students interested in participating in the WUE program must notify the Office of Enrollment Services and Registrar at the time of admission. The application and required document(s) must also be submitted prior to the first day of classes. WUE students are not eligible to establish Arizona residency for in-state tuition purposes until one year after discontinuing participation in the WUE program.
