Faculty Senate Statement to the Governing Board - September 2021

"Faculty Senators are approached more frequently by our colleagues and constituents, regarding employee pay at the College. We understand that finances are especially volatile given the depressed levels of enrollment college-wide and the ongoing pandemic, but Faculty Senators are concerned with the current allocation of funds. The Faculty Senate is interested in hearing from faculty colleagues on the Class and Comp Faculty Steering Committee, having Faculty senate officers collaborate during their administrative meetings with members of the ELT and exploring how faculty, staff, and administration can work together on how to allocate funds in ways that will optimize academic excellence and students success."
